ACTIVITIES

ACTIVITY 1

ART ACTIVITY

Lux and his fellow Light Hunters, Ester, Fera and Brace, have a big job to do, defending their world from Monsters. Brace has lots of drawings of them plastering his walls.

We know what some of them look like:

- the Monster spawn that attacks Maya is a shark-like creature with a spiked head and razor-sharp teeth and claws.
- the Cerberus they fight is as big as a house, has three heads and glowing red eyes.

MONSTER'S NAME: CERBERUS

CREATE YOUR OWN MONSTER

What do you think the other monsters look like?
Draw and label your own monster in the box below.

What is your monster called? How big is it?

ACTIVITY 4

WRITING ACTIVITY

Here is the letter Lux's grandfather wrote to Artello Nova.

Artello,

Lux has progressed at a speed I could never have imagined. His power is unique. If what you said in your last letter is true, we cannot let Deimos get his hands on him. You must send someone to get him. I am no longer sure I can protect him.

Sincerely,
Ben Dowd.

What do you think Artello said to Ben in his last letter to prompt this reply?

WRITE A LETTER

Imagine you are Artello.

Write your letter to Ben, including as much detail as you can.

Dear Ben,

How are you - and how is Lux?

Sincerely,
Artello Nova
